DEDICATION

It is with deep appreciation for a job well done, that we say "THANK YOU PEARL" for always being pleasant, cheerful and meticulous.

Since 1949 Mrs. Pearl Willis has been the Town Clerk for the Town of Newton, and her service has been dedicated and unbending in a job that requires many hours and an abundance of patience.

Mrs. Willis resigned in December of this year and the remainder of her term has been capably filled by her daughter Mrs. Marjorie Moisan.

Pearl, we all Thank You and wish you the very best.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Newton in the County of Rockingham in said State, qualified to vote in Town Affairs:
You are hereby notified to meet at 10 o'clock in the forenoon in said Town Hall on Tuesday, the 6th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of Town Officers and pass any vote relating thereto.
4. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes.
5. To see if the Town will vote to authorize the Selectmen to sell property acquired by Tax Collector's deed or through Old Age Assistance, or any other property of the Town not used for public purpose.
6. To see if the Town will vote to raise and appropriate the sum of $18,000.00 to be applied against the $33,000.00 present deficit, per instruction of the New Hampshire State Tax Commission.
7. To see if the Town will vote to raise and appropriate a sum not to exceed $500.00, (five hundred), to be paid as rent to the Newton Junction Firemen's Association for the year 1973, said rent not to exceed the amount of Taxes assessed against the Newton Junction Firemen's Association for the year 1973 and any sum in excess of the taxes to be returned by said Association to the Town.
8. To see if the Town will raise and appropriate the sum of $1,200.00 for the Greater Salem Community Mental Health Centre.
9. To see if the Town will raise and appropriate $339.15 to receive $2,260.97 that the State will contribute for Class V Roads.
10. Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board?
11. To see if the Town will vote to turn over to the Conservation Commission land on Currierville Rd. formerly property of Robert J. and Frank H. McCourt, which has been taken by the Selectmen for taxes.
12. To see if the Town will vote to prohibit the use of salt and similar chemicals on the highways within the Town except for dangerous intersections and extreme road conditions as designated by the Selectmen or Road Agent.

13. To see if the Town will raise and appropriate the sum of $5,000 to be put into the Capital Reserve Fund toward the purchase of a Class A fire pumper.
14. Upon petition of ten or more legal voters of Newton, N.H. to see if the Town will vote to "rescind" the Building Code and Safety Ordinance, the Earth Removal Ordinance and the Sub-Division Regulations.
15. Upon petition of ten or more legal voters of Newton, N.H. to see if the Town will vote to Elect by ballot their Chief of Police.
16. Upon the petition of ten or more legal voters of Newton N.H. to see if the town will vote to adopt the provisions of the Municipal Budget Law.
17. To see if the Town will approve the use of Federal Revenue Sharing Funds in the amount of $5,000 to allow the purchase of a Class A fire pumper this year and the amount of $7,480 to equip said pumper with 2,000 feet of four (4) inch hose and fittings.
18. To see if the Town will approve the use of Federal Revenue Sharing Funds in the amount of $2,760 to allow the purchase of five (5) four-channel FM radios with three sets of crystals and gain antennas for use by the Fire Department.
19. To see if the Town will approve the use of Federal Revenue Sharing Funds in the amount of $1,500 to allow the purchase of four (4) Scott Air Packs with extra tanks for use by the Fire Department.
20. To see if the Town will approve the use of Federal Revenue Sharing Funds a sum not to exceed $6,000 to purchase the entire West Amesbury Branch of the Boston and Maine Railroad lying in Newton to be used for recreational purposes by the Newton Conservation Commission.
21. To see if the Town will approve the use of Federal Revenue Sharing Funds in the amount of $500 for forestry practices on Town owned land by the New Conservation Commission.
22. To see if the Town will approve the use of the remainder of the Federal Revenue Sharing Funds and any interest that may have accumulated, to be set aside for a Tax Map of the Town.
23. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 15 day of February, in the year of our Lord nineteen hundred and Seventy-three.

William Baker
Harlan Tozier
Selectmen of Newton, N.H.

MARCH 8, 1972

The meeting was called to order by the Moderator, Clifford R. Bryer, at 7:25 p.m.

The results of the balloting on Article I on Tuesday, March 7, 1972, were read by the Moderator.

Article II: William P. Greaney moved that the budget be accepted as printed in the Town Report. This was seconded by Wallace B. Nyberg. On a motion by Ellery F. Atwood, the motion was amended to read "except the items of 'Zoning and Planning' and 'Police Department' to be voted on separately."

After some discussion, on a motion by Mr. Nyberg, it was voted to eliminate the word "Zoning" from the budget and accept the item as "Planning at $200.00". It was also voted to accept the Police Department item as printed.

The budget was then accepted as printed and amended.

Article III: On a motion by Mr. Greaney, and seconded by Mr. Nyberg, the Reports of Town Officers were accepted as printed.

Article IV: On a motion by Mr. Greaney, the Selectmen were authorized to hire money in anticipation of taxes.

Article V. On a motion by Mr. Greaney the Selectmen were authorized to sell property acquired by Tax Collectors Deed or through Old Age Assistance, or any other property of the Town not used for public purposes.

Article VI: On a motion by Mr. Atwood it was voted to raise $15,000.00 to be applied against the $33,000.00 present deficit, per instructions of the New Hampshire State Tax Commission.

Article VII: This Article appeared on the ballot Tuesday, March 7, 1972. The results of the voting were 492 yes, and 243 no, and 26 blank ballots, to approve the amendments of the Constitution as proposed by the 1971 session of the General Court.

Article VIII: Mr. Atwood moved, and it was seconded, that the Town raise $500.00 for the Newton Junction Firemen's Association, to be used by said Association to pay the 1972 real estate taxes assessed on the Fire House property, so called, and any unexpended balance to be returned by said Association to the General Fund of the Town.

A brief history of the Association was given by Leo H. Storey.

On a motion by Kenneth A. Field, Jr., it was voted to amend Article VIII to read "the Town will raise an amount not to exceed $500.00 to be paid as rent to the Newton Junction Firemen's Association for the year 1972, said rent not to exceed the amount of taxes assessed against the Newton Junction Firemen's Association for the year 1972 and any sum in excess of the taxes to be returned by said Association to the Town.

Mr Greaney reported that the State Tax Commission had indicated an article of this nature would have to appear in the warrant annually.

Article IX: It was moved and seconded that the Town would raise $5,000.00 to be put into the capital reserve fund toward the purchase of a class A fire pumper.

A motion was offered, and seconded, to table action on this Article for one year. The motion was defeated.

The main motion was then voted affirmatively.

Article X: The Moderator ruled that Article X, to see that the Annual Town Reports be delivered to the residents of Newton at least fourteen days prior to the Annual Town Meeting, was illegal and would be passed over.

The Moderator was asked to take a vote to indicate whether the voters would like to receive the Town Reports earlier. The vote was favorable.

Article XI: This Article, to see if the Town will vote to add to the Building Code and Safety Ordinance the following: "no Multiple family dwelling larger than a two family building shall be constructed in the Town of Newton. Construction of Multiple family dwellings designed for three family occupancy or greater, shall have to be approved by the people at the Annual Town Meeting", was also declared illegal.

Mr. Greaney read a letter from our Town Counsel stating the law with which this Article is in conflict.

Again from the floor there was a request for a vote indicating the sentiment of the people — the majority were in favor of limiting multiple family dwellings.

After some discussion, Mr. Field challenged the Moderator's right to pass over an illegal article — he feels the people have the right to act on any and all articles.

On a motion by Mr. Atwood, and seconded by Mr. Greaney, Article XI was defeated.

Article XII: It was voted to raise $240.00 for the purpose of renting a facility to be used for a Police Station which is currently owned by William Cross of Newton.

Article XIII: On a motion by Mr. Atwood, seconded by Mr. Greaney, it was voted to raise $1,200.00 for the greater Salem Mental Health Association.

Article XIV: On a motion by Mr. Atwood, it was voted to accept Lincoln Road as a Town Street.

Article XV: On a motion by Allen B. Nason, for the Conservation Commission, it was voted to raise $400.00 for leveling and covering cement foundations on Town Land on Hadley Road.

Article XVI: It was voted to raise $1,500.00 for the Fire Department to purchase four Scott Air Packs and extra tanks for same.

Article XVII: The motion was made and seconded to raise $1,780.00 for the purchase of a State accepted radar unit for use by the Newton Police Department.

Charles E. Carroll spoke regarding the qualifications of this particular instrument and also mentioned that the Town could be reimbursed for up to 80% of the cost through the Safe Streets Act.

With a show of hands the Article was defeated by a vote of 103 no and 61 yes.

Article XVIII: Mr. Nason moved, for the Conservation Commission, and it was seconded, to turn over to the Newton Conservation commission the property known as the Stronach Land, now owned by the Town. After some discussion this motion received a negative vote.

Article XIX: Christopher D. Sherrill moved, and it was seconded, to amend the building code Article I, section I, to read, "minimum lot frontage of 200 feet and a total area of not less than 43,560 square feet". William L. Hart offered an amendment which was seconded, that this apply after June 30, 1972. This amendment received a favorable vote.

The main motion was then put to a vote and defeated.

Article XX: Mr. Nason, for the CC, moved that Bancroft Road, designated as a class VI road be discontinued subject to gates and barways, 500 feet from Merrimack Road running through to Bear Hill Road. This motion was seconded.

Mr Greaney noted that this Article was termed illegal by our Town Counsel. The motion received a negative vote.

Article XXI: On a motion by Mr. Sherrill, it was voted to designate Gould Hill Road, Bartlett Street, Heath Street, Maple Avenue, Currierville Road, Gale Village Road, and Town Hall Road scenic roads as provided for under State Law RSA 253:17 and RSA 253:18.

Article XXII: On a motion by Mr. Greaney it was voted to accept Quaker Street as a Town Street.

Article XXIII: Mr. Nyberg moved, and it was seconded, that the Town adopt the provisions of the Municipal Budget Law.

After some discussion, Mr. Nyberg offered the following amendment to be added to Article XXIII: 'I move this Article be amended to read that the members at large provided for in the Municipal Budget Act, be appointed by the Moderator for the years 1972 and 1973 and there after be elected, beginning at the annual election in March 1973, this number to be limited to six members.

Mr. Nyberg's amendment was defeated, as was the main motion when put to a vote.

Article XXIV: The Moderator reappointed Chester E. Bearce to the Board of Adjustments.

He also reappointed Joseph R. Francoeur and Clifford P. Muessig to the Finance Committee. Harold. L. Gale was reappointed but declined.

From the floor the Moderator was asked to take an opinion vote as to barring the storage of Propane Gas on the Railroad Siding in Newton. The people were in favor of stopping this storage.

Mr. Greaney announced, that at a future date, the right of way of the Boston and Maine from Newton Junction to Merrimack will be for sale. This right of way amounts to about 24 acres of (2½ miles long by 50 feet wide) in Newton.

Patricia J. Batson requested that the Planning Board bring in a plan for Zoning.

On the suggestion of Mr. Greaney, the Boy Scouts of Troop 91 received a round of applause for painting the hall in which the Annual meeting was being conducted.

Mr. Vincent J. Zamierowski requested that Wallace Street be closed to motor vehicles during the Winter to allow for a safe sliding, etc. for the young people of the Town. It was suggested that he insert an Article in the Warrant another year to this effect.

Meeting was adjourned at 11:00.

A true copy attest — Pearl R. Willis, Town Clerk

Mr. John Poulin requested a recount of the ballots for the election of a Selectman for three years.

The results of the recount held March 21, 1972 at 8 p.m. were:

William A. Baker	323
John R. Poulin	321

A true copy attest — Pearl R. Willis, Town Clerk

REPORT OF THE SELECTMEN

The year 1972-73 has been a very productive one for the Selectmen's office with the introduction of a full time Police Department, the updating of files and records that have been disorganized for quite some time, and carrying on of general business.

We have all put in a great deal of time and effort, but the end result has been very satisfying.

There is, however, the disappointment of the resignation of William Greaney. We hope all goes well for him and we also hope he is replaced by someone as capable and willing to work for the good of the town.

There have been good times and bad times for all of us this year, but we will sustain and serve you as best we can.

Thank You,
William Baker
Harlan Tozier

REPORT OF GALE LIBRARY TRUSTEES

Trustees of the Gale Library are pleased with the accomplishments this past year under the librarian, Mrs. Marjorie D. Moisan.

We are indebted to the townspeople for providing funds whereby we have been able to take steps toward attaining our goals so that we can become nearer in line with what other communities provide.

Mrs. Moisan attended courses at the University of New Hampshire to assist her in her knowledge of librarianship. She also represented this library as delegate to the Southeastern Advisory Council that has been established to assist all libraries within its membership to become first class libraries and all officers to become better oriented in their jobs.

The telephone has proven to be the aid we desired it to be. We can meet the needs of patrons within hours compared to days in the past. It also enables those unable to return books to have them renewed without the cost of fines.

Local groups have continued their use of the library particularly the Historical Society and Home Extension Group. Both endeavor, as educational groups, to increase the knowledge of their members. We invite others to join them. We should encourage them in their programs by participation.

We thank all who have been generous with book and money donations, also Newton Garden Clubbers for their continued decorations inside the library and the window boxes with plantings for the outside.

We regret that somebody, or more than one, gained entrance in an unknown manner, more than once, threw the librarians cards over the floor and cleaned out her petty cash box, taking box and all. Should this happen again we would be forced to take action.

We look forward to providing better and better service and invite the older citizens to join the reading public which at present, percentage wise, is composed of the newer residents.

REPORT OF THE AUDITORS

Newton, New Hampshire
January 29, 1973

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Tax Collector, Town Clerk and Treasurer of the Gale Library and find them correctly cast and properly vouched.

Marion L. Kelly
Anthony J. Savastino
Auditors

Newton, New Hampshire
January 29, 1973

We hereby certify that we have examined the accounts of the Trustees of the Trust Funds of said town, together with a detailed statement of the receipts and expenditures with proper vouchers as required by Section 3, Chapter 152, of the Laws of 1915 and the amendments thereof.

The recommendation of the Auditors is that income from the Common Trust be used for the upkeep of the cemeteries.

We find the Trustees of the Trust Funds properly bonded.

Marion L. Kelly
Anthony J. Savastano
Auditors

REPORT OF THE CONSERVATION COMMISSION

The Newton Conservation Commission has completed a busy year of monthly meetings, regional workshops and civic projects. We would like to take this time to thank all the Newton residents for their continued support by voting favorably for environmental protection laws such as the designation of seven scenic roads in town and entrusting the Marshall property to us for conservation purposes. People were also most cooperative in filling in the "open space" map with their property boundary lines, which has been very helpful to us in searching for possible pollution causes and to the School Site Committee in finding a suitable site for a proposed Middle School.

The shade tree replacement program was continued with 20 trees being given property owners for street planting and the commission planted others at the two schools, the library and Town Hall. Clean-Up Day was also sponsored by the commission and in conjunction with other civic organizations, such as the Cub Scouts, Boy Scouts, Brownies and 4H Groups was again successful and received a state recognition award in civic improvement from the N.H. Federation of Garden Clubs.

The Historical Society and the Conservation Commission have worked jointly in restoring the Marshall property, with the outside almost painted, windows reglazed and some restoration completed inside. The U.S. Soil Conservation Dept. has completed plans for 2 skating ponds on the property to be built separately or jointly, each to cost approx. $500.00 for bulldozing and earth removal. It was voted by the board to do this work as the need arises and the town grows and could be completed within one year when necessary.

The Hadley Rd. foundations have been bulldozed and the county forester has helped the commission in planning a Town Forest which will be increasingly developed each year.

The Conservation Commission has been in constant correspondance with the B&M Railroad to try to convince them to put the abandoned track land up for sale in total to the towns of Newton and Merrimac so the towns may have the option of voting to purchase all this property for recreational purposes. A final report will be made to the townspeople at the Town Meeting concerning this property.

Sincerely,
Alan Nason (Acting Chairman)
Shirley Sherrill, Sec. Treas.
Myrtle Rogers
Robert Gordon
Charlton Swasey (Resigned)

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire dection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 a.m. and 5:00 p.m. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devasting force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

STATE	410 fires	361 acres burned
DISTRICT	101 fires	112 acres burned
TOWN	10 fires	0 acres burned

Ralph Stevens, District Chief
Russell Estabrook, Forest Fire Warden

REPORT OF THE POLICE DEPARTMENT FOR 1972
POLICE CHIEF'S REPORT

As Chief of Police I would like to thank the people of Newton for the overwhelming support and cooperation they have given the Police Dept. for 1972.

The crime rate for the State of New Hampshire according to the Governor's Crime Commission increased 25% last year. We have been fortunate to keep our crime rate in Newton at a low percentage. We have been fortunate to qualify for the two year Federal Funding Program through the Governor's Crime Commission which will cover the years of 1972 and 1973. The amount for 1972 has already been approved.

I would like to thank each and every officer in the department, regulars and specials for the excellent job they have done throughout the year and for the support they have given me.

At the opening of the school year in September, 1972, a special police officer was assigned to the Memorial School in Newton Junction and is on duty five days a week at the school during the time the students enter and leave the school area.

We have also at no cost to the town, instituted a Police Cadet Force which will give young men from the town an opportunity to learn and pursue the law enforcement field which can make a rewarding career for them in the future.

In July of 1972 town officials and the Crime Commission planned and set up a full time Chief of Police position which comes under the Federal Funding. This in my estimation has been our deterrent to any increasing crime in our town and it also gives the town 24 hour a day protection which means the town is heavily patrolled day and night.

Again I would like to thank the townspeople and the men of the Police Department for their continuing support which makes the Town of Newton a proud place in which to live.

Respectfully Submitted,
Robert S. Donovan
Chief of Police

FOR THE YEAR ENDING DECEMBER 31, 1972

48 Accidents & Investigations of
85 Complaints brought to court
